

# At A Glance: CITY OF COLUMBIA

At the heart of South Carolina in the Central SC Region is the capital city of Columbia. The economic hub of the state, Columbia has transformed over the years from a textile manufacturing destination to a vibrant metropolis with a diverse economy. Supported by a network of growth agents, including government, economic and educational bodies, the city is geared for helping existing industries thrive and new enterprises gain steam. With its upward growth trend, Columbia is a new hotbed of talent, attracting a mix of younger and experienced workers eager to push Columbia to the next level.

## INFRASTRUCTURE

The Central SC Region is home to four major interstates, all easily accessible throughout the region: I-20, I-26, I-77, I-95. These interstates make for smooth travel when commuting to the region's major airport and the state's major port.

These interstates congregate around the City of Columbia, providing easy access in and out of the city with direct routes to Charlotte, NC and the Port of Charleston.
