

Columbia Metropolitan Airport

Columbia Metropolitan Airport (CAE) is the premier air travel provider for South Carolina's Midlands region.

**35 Daily
Non-Stop Flights**
to 8 major markets throughout the US

South Carolina's largest air cargo hub
Over 168,000 tons annually

Nationally Ranked

Top 25% for connectivity & Top 30% for enplanments

Conveniently located just eight miles from the state's capital and central business district with easy access to all three of the state's major interstates: I-20, I-26, & I-77.

A self-sufficient entity that **does not receive** money from **state or local tax dollars.**
